Rolph's Stamina

Governor Rolph's health has the gubernatorial aspirants guessing as many indicate their eagerness to enter next year's fray. They fear that the governor might become too ill to function and that would put Frank C. Merriam, lieutenant governor, into the office sufficiently to give him more than a toe-hold. Rolph continues to defy his doctors, work the hours of a well man and cause consternation among his followers. Those who know what Rolph has been through are amazed at his stamina and recuperative powers.

Island Prison

San Francisco, in its efforts to thwart the plans of the federal government for using Alcatraz island as a prison for desperate criminals, has been conducting a swimming marathon. Three girls have swum from the island to the mainland, one of them swam out, around the island and back to a San Francisco pier.

All of this is to explode the idea that escape is impossible from the island.

All of these girls are hardened athletes. They are in much better physical condition than any prisoner is likely to be. Moreover, they are insured to cold water by constantly swimming in the water of the bay and ocean.

Probably not one prisoner in thousands would be in such fine physical condition as these girls are in. The stunts prove nothing except that a trained swimmer could escape from the island by swimming. Such arguments ought not to influence the government in the least.

Wheel Chair Needed By Relief Workers

Relief workers in North Fair Oaks have found need of a wheel chair for the use of a convalescent woman for the next three months.

They ask anyone wishing to loan a wheel chair to telephone Redwood 2067-W or Redwood 901-W and it will be called for with assurance of good care.

Oregon growers used 9,600 cords of fuel wood annually for the drying of hops.

James Urges Caution With Gas Tax Fund

Warning that the road and relief program was being upset by the loan of county equipment and the pledge of work on roads for which no money has been budgeted, County Engineer James S. James today advised the board of supervisors that the gas tax funds must be "conserved with great care" and that expenditures will have to be "confined to those roads which are of the greatest service to the traveling public."

James informed the board that many requests for expenditures from road department funds and for loan of equipment are made to him personally, as well as to the board.

The board agreed, upon motion of Supervisor Albert Witt, Colma, and second of Supervisor John Poole, Redwood City, that all such requests must be acted upon by the board separately.

"We like to accommodate our citizens and taxpayers and we like to see them travel on well constructed and conditioned streets and roads," James said.

"However, since there are something over 500 miles of unimproved or poorly improved real estate streets and 'byways' in San Mateo county, outside of streets and roads now in our system, it is easily seen that the county income from the gas tax will have to be conserved with great care and that our expenditures will have to be confined to those roads which are of the greatest service to the traveling public."

"All requests for the loan or use of county equipment or for the furnishing of road materials will be referred direct to the board of supervisors for your definite instruction to me before such requests are granted."

"I wish to say further that this budgeted for specific purposes. If many petitions or requests for work on roads not now included in the county system are granted, our entire road program will be seriously interfered with and our budget laws will be violated."

"As a result, either the maintenance of our main roads will have to be neglected or the present plan of work relief as provided in the budget will have to be abandoned in part or in whole."

MENLO PARK

A choral class, consisting of the young people of the Church of the Nativity, has been organized and will be instructed by Mrs. Mount of Palo Alto. The class has many talented members who are certain to become famous singers. The primary object of the organization is to prepare a musical program for the Christmas services.

St. Joseph's Alumni Association will sponsor a card party in the auditorium of the Central school this evening.

James Andrews has been awarded the contract by the government to carry the mail from the depot to the postoffice. Bids were called for some time ago for the work and Mr. Andrews was the lowest.

Mrs. Fred Hummel is quite low at the Community Hospital. Word was received last night that she was sinking. Her relatives were called to her bedside.

Mayor W. H. Weeden, Frank Johnson, C. T. Maloney, Al Alamy and George Murray attended a banquet and an official visit to the grand president of the N. S. G. W. in San Jose Monday night.

Born Sunday, October 23, to Mr. and Mrs. Wilbur Bouge of Berkeley Way, a son.

The regular meeting of Menlo Park American Legion Auxiliary Unit was held in Legion Hall Tuesday night with President Ethel French of San Carlos presiding.

The date for the carnival bazaar was set for Friday and Saturday, December 1 and 2. This affair will be given to raise funds to carry out the rehabilitation program which the auxiliary has always carried on among the patients in the U. S. Veterans' Hospital and ex-service men and their families.

The St. Joseph's Alumnae card party will be held in Central school auditorium Friday night. Score cards will be 25 cents.

There will be a joint meeting of the American Legion post and the auxiliary to the post Tuesday, October 31, in the Legion Hall, and all members are urged to attend.

Mayor Max Kohner of Santa Clara, who has been a frequent visitor to his friend Mayor W. H. Weeden, died in the University of California hospital in San Francisco last night.

Doubt that Menlo Park will obtain the \$20,000 loan it is seeking from the federal public works fund to build a city hall was expressed Tuesday night to the city council by City Attorney George K. Whitworth, who has handled the preparation of and negotiations for the city's application.

Federal policy does not look with favor upon the lease contract plan under which the city is making its application and practically no such applications have been granted, Whitworth declared. The bond plan is urged by the government, he reported.

City Councilman Eugene J. Crane, however, urged that action be taken for a "showdown" on the application so that a definite answer can be obtained by Menlo Park on its request.

Councilman A. H. Anderson, street commissioner, and Capt. Hugo May, street superintendent, were named by Mayor W. H. Weeden to prepare a report on a definite street program to be submitted to the state highway commission for the purpose of securing funds under the quarter-cent gasoline tax allotment.

The salary of Mrs. Margaret A. Becker as deputy license collector was set at \$25 a month commencing November 1. Of a possible \$350 in license for the quarter, a total of \$389 has been collected during the present month, Councilman Crane reported to the council.

City Attorney Whitworth was directed to prepare a petition to be submitted to the county supervisors for the transference of the 22 highway street lights from the city to the Menlo Park Lighting District.

In a communication to the council Mr. and Mrs. E. J. Slinger protested the barking of dogs, the crowing of pigeons and the presence of sewer gas in their neighborhood. An investigation was ordered.

Councilman Objects To Article In Paper

SAN BRUNO, Oct. 26.—Objecting to an article in the publication "Who's Who," edited by Councilman William Maurer, Councilman William Farmer last night criticized Maurer and said he pictured himself as the "acme of perfection" and the rest of the council as a bunch of "bums."

Councilman Farmer said he believed Maurer "unfit to hold office." The article dealt with the 1932 grand jury inquiry into San Bruno's financial affairs.

Nearly 12,000,000 young fish were distributed from state hatcheries in Montana this year.

Redwood City 30 Years Ago

The list of eligibles for the Stanford-Berkeley football game which was sent to Berkeley this week, contained the name of Bert Shine, Sequoia 02.

Mrs. Fullerton and her two children are here on a visit to her father, E. Thompson. Mr. Fullerton has been for some time past in charge of all the telephone lines in Washington with headquarters in Seattle. He has now been transferred to the same position in this state.

The telephone company, which is erecting its poles through this county, has played havoc with the bicycle path between here and Menlo Park. The path which was the finest in the county has been spoiled, as in places the poles have been erected in the center of it and where they have been put up alongside the path, high piles of dirt have been left. It would seem that a cyclist has no rights which a telephone company is bound to respect.

The November number of McClure's Magazine contains Ed Hurlbut's story which the many friends of the young writer have been anxiously looking forward to. The action throughout is snappy and is cleverly worked out. The theme deals with a business life with which Mr. Hurlbut is thoroughly familiar.

Macon Flight Held Up By Early Fog

SUNNYVALE, Oct. 26 (UP)—Takeoff of the navy dirigible Macon on a scheduled 55 hour flight over California was delayed here today due to fog conditions. Scheduled to leave at 10 a. m. the dirigible had not been moved at noon. Takeoff was expected momentarily.

San Mateo Engages In New S. F. Business

Associating himself with an entirely new venture, H. D. Currence of San Mateo, for many years an officer of and closely identified with the Peninsula Burner and Oil Company, has severed business connections with that concern and has organized the Vegetable Products distributors with offices at 742 Market street, San Francisco. He has as his associate Harry E. Spens, former vice-president and general manager of Golden Gate ferries. The new concern is the exclusive distributor of the famous Burbank Nutritional Health Foods for Northern California, Nevada, Oregon, Washington, Hawaii and Australia.

"We are proud to have been selected by Rear Admiral Byrd to furnish his Antarctic expedition with 36 tons of vegetable concentrates," said Mr. Currence in discussing his new business venture. "The goods were delivered to the Byrd ship in Boston and are now en route to the South Pole. (The Byrd shipment of 36 tons of concentrates is equal to 600 tons of fresh vegetables.)"

Suit Settlement In Fee Estate Is Seen

Settlement of the suit brought by Miss Alice Lynch to secure half of the estate of Harry Fee, Atherton realtor, was in prospect today. Superior Judge Franklin Swart granted a continuance of the trial to November 1 to allow time in which to reach an agreement. Two days of trial were held. Miss Lynch claims that she was a business partner of Fee's for many years. Fee's estate was appraised in 1929 for \$400,000, but has shrunk in value so that it is believed worth \$150,000 today. It is reported by court attaches.

"UTILITY TAXES take State out of the red"

THAT was the headline which many newspapers used for an article sent out in news dispatches from Sacramento on September 20th.

State Controller Ray L. Riley announced that day that payment of Seventeen Million Dollars in taxes by California utilities had given the state's general fund a favorable balance for the first time in many months.

It permitted him to return three million five hundred and fifty thousand dollars which had been borrowed from the highway fund to avoid the registration of general fund warrants.

This is merely one indication of the importance of your utilities to your state.

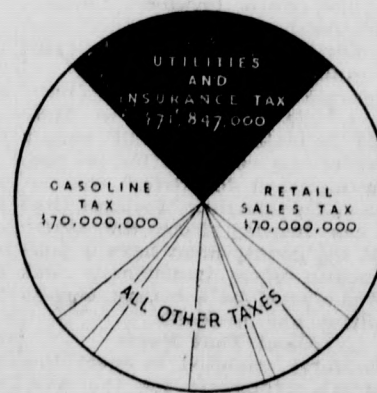

Out of every dollar you pay to Pacific Gas and Electric Company for your electric service, 14.5 cents represents taxes. Of this 14.5 cents, 9 cents goes to the maintenance of your state government.

In the next two years the state's tax income from the utilities and the insurance companies will be \$71,847,000. That is nearly 25 per cent of the state's total revenue. It is more than the \$70,000,000, or 24 per cent, which is estimated to be obtained from the retail sales tax.

The utilities do their part—and a large part it is—in the support of the California state government.

SACRAMENTO, Sept. 20.—(UP)—Payment of \$17,000,000 in taxes by California utilities resulted in the state's general fund showing a favorable balance for the first time in many months. State Controller Ray L. Riley announced today. With receipt of the public utility tax payments, Riley immediately ordered return to the highway fund of \$3,500,000 borrowed to avoid registration of general fund warrants. This transfer reduced to \$3,400,000 the general fund's debt to special funds.

The above refers to the first payment made to the state's general fund for the fiscal year 1933-1934. A second payment will be made in March.

Rehearsal Held For School Play Shows Progress

A full dress rehearsal for "Beauty's Best" was held at the McKinley auditorium Saturday with the full cast in attendance including eight little "gows" and feature dancers from the Lincoln school. The play is progressing nicely and the 36 children who compose the cast should give a very finished performance by Friday evening, reports Mrs. C. C. Filsinger who is directing the production.

Dorothy Mulendy, who was originally cast as Felicia, sister of Beauty, has acquired the mumps and her part is being taken by Marjorie Lee Baum.

There will be two performances Friday, a matinee at 1:30 and the evening performance will start promptly at 7:30 in order to end at an early hour for little folks in attendance. Admission will be 25 cents for adults and 10 cents for children.

No Trace Found Of S. F. Couple; Search Pressed

Ten automobile loads of friends and relatives searched the Skyline boulevard for its entire length from San Francisco to Woodside all day Sunday in the hope of finding a trace of Mr. and Mrs. Frank Gumper, 60 years old each, of 2201 Larkin street, San Francisco.

The couple disappeared Thursday afternoon while on a motor trip down the peninsula. Mr. Gumper was said to have been new at operating a motor vehicle and is believed to have lost control or skidded and gone over the grade at some point along the road.

Comm. F. B. Connell of the naval reserve, stationed at Oakland, flew across the bay and spent several hours in the air above Woodside and along the Skyline yesterday in the hope of finding a trace of the missing

VOLPIANO-DUZANICA WEDDING UNITES WELL KNOWN FAMILIES

WOODSIDE, Oct. 23.—A wedding of unusual interest which united two pioneer families of this vicinity took place yesterday afternoon at the Church of Our Lady of the Wayside in Portola, when Mr. John Volpiano claimed as his bride Miss Katherine M. Duzanica.

At this quiet church among the redwoods a host of friends gathered for the ceremony which was beautifully effective because of its simplicity. The only decorations were two baskets of large white chrysanthemums, one on either side of the chancel entrance.

At 3:30, with Mr. J. Gregori presiding at the organ, the strains of the wedding march were heard

and the bridal party entered. Miss Mary Volpiano, a sister of the bridegroom, was bridesmaid and following her the bride entered with her father, Mr. Peter Duzanica, who gave his daughter into the keeping of Mr. Volpiano, who waited at the altar. Mr. Peter Duzanica Jr., a brother of the bride, served as best man. The Rev. Father O'Keefe officiated at the ceremony.

The young men serving as ushers were William Jelich, Nick Duzanica and Tom Shine.

The bride was attired in a white satin gown which touched the floor and wore a white velvet hat with a small veil. She carried a white prayer book with

ten shower streamers of white satin, with lilies of the valley knotted to the ends of each.

Miss Volpiano wore pale green chiffon with a black meline sash having green appliques and a black meline hat, also appliqued. Her other accessories were black and she carried a bouquet of baby roses.

The bride's mother wore a gray and pink dress and hat and the mother of the bridegroom had a complete outfit of black satin. Both mothers wore corsages of white gardenias.

Following the wedding, a reception and supper was held in honor of the couple at New Portola Park. Here the hall was decorated in green and gold with myriads of chrysanthemums in white and pastel shades and nearly 200 relatives and friends were gathered about the tables arranged in horseshoe shape with the bridal party at the head. Several European customs were carried out, creating festivities.

Toasting and song were in order and among those contributing speeches to the occasion were Messrs. Lee Beck, George Shine, John D. Gish, Tom Shine and Edward Harrison.

Mr. Gregori rendered several piano selections and the following people contributed vocal numbers: Dr. John Gavin of San Francisco, Mr. William Gallen and Mrs. John D. Gish. Mrs. Mary Skrabo sang two songs in the Slavic language, one being in honor of the bride and bridegroom, and Mr. John Monty, an uncle of the bridegroom, gave three vocal selections from operas.

Following the supper other friends joined the celebration and dancing was enjoyed until a late hour. During the evening Mr. and Mrs. Volpiano slipped away for a week's honeymoon, with the destination thought to be Nevada. Before leaving, the bride changed to a brown sports ensemble for traveling.

Both Mr. Volpiano and his bride have been well known and popular members of Woodside's younger people, both having made their homes here with their parents all their lives.

Mrs. Volpiano is the daughter of Mr. and Mrs. Peter Duzanica, who settled in Portola nearly a half century ago. She is a graduate of the Portola school and of Sequoia Union High School and has been in the employ of the Pacific Telephone and Telephone Company in San Francisco.

The bridegroom is the son of Mrs. Teresa Volpiano and the late John Volpiano and was a student at Sequoia following his graduation from the local school. Nearly five years ago he entered the service of the Woodside Fire District as assistant chief and in June, 1932, was elevated to the position of chief of the department, which position he now holds.

Upon the couple's return they will reside at the Volpiano home on the Canada road.

Much Activity As 'Beauty's Beast' Time Draws Near

The auditorium of the McKinley school is the scene of much activity as technicians and electricians make final preparations on the sets for "Beauty's Beast," to be given for the benefit of the school dental clinic Friday evening at 7:30, with a matinee at 1:30.

Roscoe Savage is in charge of lighting, and Miss Charlotte Rider and Henry Moore have designed and executed the scenic effects.

The stage has been transformed into a palace where the Beast welcomes Beauty to his court. Maidens will be in attendance and dancers will offer entertainment. Louise Du Bose, Miriam Barton and Margaret Steele are the court dancers, and each in turn will present a solo dance while Beauty and Beauty dine. Marjorie Harder and Jacqueline Walker have been added to the cast as flower girls in the wedding procession for the final act.

Joyce Labachotte as Beauty, Ted Cole as the Beast, and Richard Bodey as Merchant Hubbard visited each of the schools today to present short scenes from the play, accompanied by the director, Mrs. C. C. Filsinger.

Tickets are being sold by the McKinley school children and may also be obtained at the principal's office at the school at 25 cents for adults and 10 cents for children.

Musical Feature Added to Local Festival Program

"The Ebony Rhythmettes," a group of Palo Alto girls who are winning fame as interpreters of symphonic jazz, will be an added feature on the entertainment program in connection with the fall festival at the Congregational church Wednesday and Thursday, October 8 and 9, it was announced today.

The Ebony Rhythmettes will appear on the Wednesday night program of varieties.

Mrs. Amelia Steffens and Mrs. John Layng, managers of the festival, announce that all sorts of Christmas presents will be on sale at reasonable prices. The exhibits will include booths for handkerchiefs, fancy work, handicraft, white elephant novelties, candy, cooked foods, flowers, plants and bulbs and ferns.

Every department of the church is at work to make the festival a success.

Season tickets at 25 cents each for the four sessions of the festival

may be secured from any member of the church or Sunday school.

Mrs. William J. Duseil will be in general charge of a Spanish cafe from which refreshments will be served afternoon and evening.

The booths will be decorated in autumn colors by a committee of young people under the direction of the Misses Olga Laursen and Ruth Stevens.

CONGO CLUB ARRANGING SOCIAL TIME FOR SUNDAY

The Congo Club for young people of college age of the Congregational church will hold a social evening next Sunday at the home of the Rev. and Mrs. N. W. Pendleton, 4 King street. Roy Hohberger and Herman Phillips will furnish entertainment. Edward Williams is president and Robert Steffens is vice president. All young people of the community are invited to attend.

Two California cities maintained successful girl baseball leagues this season, regular schedules being played at Oakland and Santa Barbara.

Aid Meeting Put Off Until Friday

Mrs. Clinton Gleason, president of the General Aid Society of the Methodist Church, Monday announced postponement of Wednesday's meeting to next Friday at 2:15 p. m. in the church. Following the business meeting, a program will be presented by the McKinley circle, of which Mrs. Roy Barnes is chairman.

High Heels Blamed If Woman Falls Down

NEW YORK, Oct. 25 (UP)—A woman wearing high heels has only herself to blame if she falls down. Mrs. Agnes Hudson, thus equipped, visited a fishing boat and fell down a companionway. Federal Judge Grover M. Moscovitz dismissed her suit against the boat's owners.

Menlo Park Favors High Speed Trains

MENLO PARK, Oct. 25.—The Menlo Park Chamber of Commerce was of record today in favor of a proposed high-speed train service down the peninsula—a move being launched to protect the development of San Mateo county against the competition of Marin and other counties with the opening of the bay bridges. Lightweight trains would connect with the bridge approaches to speed traffic to the peninsula.

iodized salts that lack sufficient iodine to prevent simple goiter by insisting on this seal when you buy!

Health department tests of iodized salts bought at random from grocery stores show some to be so lacking in iodine that they were worthless as goiter preventives (according to Journal of American Medical Association, Dec. 19, 1931). To make sure of getting a reliable brand, insist on one that bears the Seal of Acceptance of the American Medical Association's Committee on Foods. You'll find this seal on every package of Morton's Iodized Salt, which is proof that it contains sufficient iodine to protect your children from simple goiter and its accompanying physical and mental backwardness!

PIE whenever you want it—
if the pie-crust is made with Crisco, the quick-digesting shortening

Miss Hester Heath, well-known cooking expert who conducted the recent Cooking School sponsored by The Tribune, uses and recommends CRISCO, the modern, quickly-digesting shortening.

AFFINITY PIE

¾ cup sugar
2 tablespoons flour
2 tablespoons cornstarch
1½ teaspoon salt
2 egg yolks, beaten
2 cups scalded milk
grated rind ½ lemon
2 bananas, sliced

CRISCO PIE-CRUST
(makes one 2-crust or 2 single-crust pies)

2 cups flour
1 teaspoon salt
¾ cup Crisco
6 to 8 tablespoons cold water
Sift flour and salt. Then cut in Crisco (the creamy, fluffy shortening that's wholesome). Cut in Crisco coarsely if you like a flaky crust—cut in Crisco finely if you like a mealy crust. Add only enough water to hold mixture together. Roll ¼ inch thick on lightly floured board.

For baked shell, cover an inverted pie-plate very closely. Trim dough so you can fold it double at edge. Crimp edge. Prick bottom and sides well. Bake in hot oven (450°F.) 15 minutes.

For two-crust pie, brush lower crust with melted Crisco to prevent filling from soaking in. Bake in hot oven (450°F.) for 10 minutes—reduce to moderate (350°F.). Bake until filling is done.

Mix sugar, flour, cornstarch, and salt thoroughly. Add egg yolks and milk. Cook and stir over low heat (or in double boiler) until very thick and smooth. Add lemon rind. Remove from heat. Chill. Use baked shell of Digestible Crisco Pastry (see Master Recipe at right). Cover bottom with sliced bananas. Pour in cream filling. Cover top with—

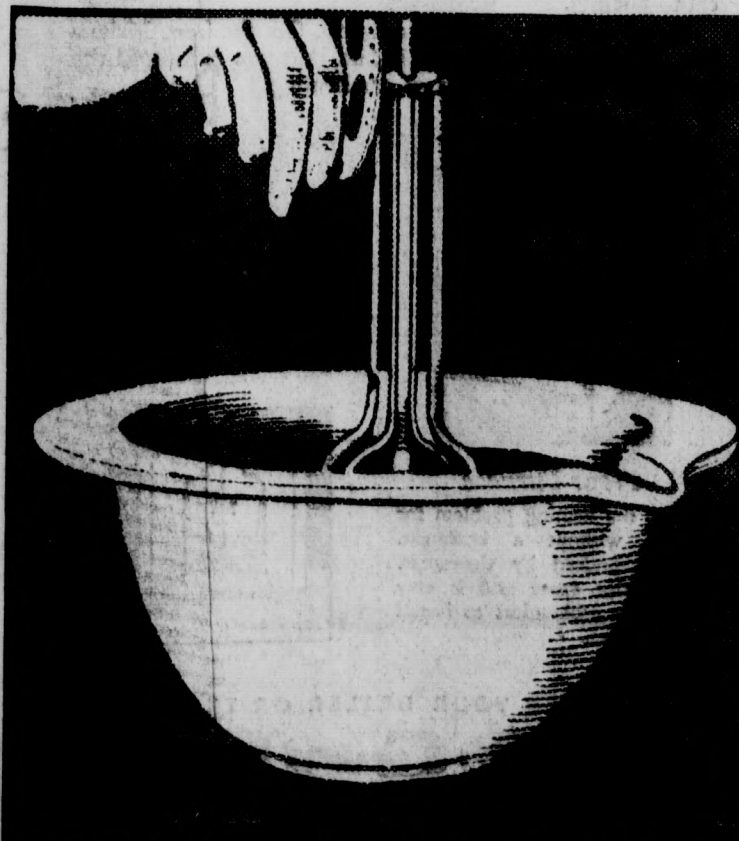

Lemon Meringue: Beat 2 egg whites stiff. Add 4 tablespoons sugar and ½ teaspoon lemon juice. Place pie in slow oven (325°F.). Bake until meringue is golden brown.

RUMFORD BAKING POWDER is accepted by the Committee on Foods of the American Medical Association.

... Do you know WHICH BAKING POWDER is an actual aid to SOUND TEETH

ALL good baking powders leaven, some better than others. All have ingredients sanctioned by law, and must maintain certain standards in manufacture. But RUMFORD the pure all-phosphate BAKING POWDER has certain definite characteristics which only a pure all-phosphate baking powder can have. One of the most important is that Rumford adds calcium and phosphates to food wherever it is used, either in baking or in general cooking. As all housewife-cooks know, this is very important, especially in the diet of young children.

Vets' Hospital Head Grateful To Corps Women

As a result of the monthly card party given at the Veterans' Administration Hospital by the George S. Evans Relief Corps of this city, at which 39 tables were made up of Redwood City women and service men of the hospital, Mrs. Mary Winter has received the following letter expressing the veterans' thanks to those from this city who took part:

The card party sponsored by the George S. Evans Relief Corps of Redwood City, with you as chairman, and held at this hospital on Wednesday evening was as usual a success in every way.

The patients always look forward to your parties and attend in large numbers. The cakes so bountifully served were delicious and the gifts of handkerchiefs were most acceptable. On behalf of the many patients attending I wish to express sincere appreciation to all who took part.

We realize such a gathering is the result of much effort on your part and you are deserving

ALPHA ZETA CHAPTER MEETS AT PARISH HOUSE

Exchange Club Has Dinner Dance

Marked by an unusually large attendance, the dinner and dance given by the Redwood City Exchange Club was held Tuesday at Bertrand's on Middlefield road.

Dr. Robert Monteith was toastmaster, and a Stanford trio sang numerous songs. There were other numbers on the program, including several of an impromptu nature.

Arrangements were made by a committee appointed by President James Eva.

Many of the Exchangeites brought guests.

ROBIN HOOD CIRCLE FETES ANNIVERSARY

Robin Hood Circle, Neighbors of Woodcraft, recently celebrated its anniversary with an entertainment program and banquet in Odd Fellows' Hall.

A playlet, "The Jolly Neighbors' Club," was presented. Miss Hulda Jordan won a stunt prize, and awards for costumes were won by Mrs. Hulda Jordan, Mrs. Lillian Martin, Mr. George Miller, Mr. James Flynn Sr., and Mr. Harry Stone.

Mrs. Beryl Stone was chairman of the program, and Mrs. Gertrude Barton was in charge of refreshments.

The circle is planning a public card party for November 16.

Peninsula Children Have Part In Show

Jim Needham, son of Mr. and Mrs. C. E. Needham of Menlo Oaks Drive, Menlo Park, will play the part of Long Tom, leader of a pirate gang in "Silver Caverns," four-act play to be presented Friday and Saturday evenings of this week by the Palo Alto Community Children's Theater in the new civic theater in Rinconada Park, Middlefield road at Melville, under the direction of Hazel Glazier Robertson.

The cast of 80 children are drawn from Stanford University, Redwood City, Menlo Park, Palo Alto and Mayfield. Two of the acts of the play are beneath the sea in a beautiful realm of "silver caverns"; one of the others is in a town garden, and the other is the mountain hut of Long Tom, the pirate.

Phi Club Plans Halloween Frolic

Final plans were made by members of Phi Chi Club at their regular business meeting Saturday evening for a dance and Halloween frolic to be held next Saturday evening.

Interesting entertainment will be a feature of the evening, including tap and ballet artists from Benda's Studio.

For those who do not care to dance, there will be bridge and whist games and many other surprises are in store for those attending. The general public is invited to join in the merry-making. Miss Stephanie Meidler was accepted as a member in the club at the last meeting.

The Natural Food Bread

Recommended by Hester Heath, noted Home Economist

A new delight—all can eat it freely.
Healthful—Non-Fattening

... a different kind of bread than you have been accustomed to serving ... so outstanding that it will replace your present bread ... a healthful, everyday diet bread.

KOMISBROT—the new health bread, containing the essential vitamins of the wheat germ itself—has a nutritional value far above the average. No compound or artificial mixtures are used—just basic, natural values all contained in one loaf of health-giving nourishment.

NON-FATTENING—the absence of white flour, sugar and yeast naturally makes KOMISBROT non-fattening. Yet its tasty qualities—its nourishing and regulatory effect—make it highly desirable as the principal table bread.

The ENTIRE FAMILY—ESPECIALLY FOR GROWING CHILDREN—can easily become the one bread to serve. Easy to digest and recommended for children who do not chew their food well.

For slender figures and complexions that delight—

From a Novel by Earl Derr Biggers

"It's great to feel this warmth in here. Still a Natural Gas booster!"

"Well, why not? I can heat this whole house in only a few minutes. I just turn on the gas—that's all."

Natural Gas

Naturally THE BETTER FUEL

WHAT is one of the best ways to guard against winter colds? See that the rooms in your home are kept at even temperature. Your doctor will tell you that. And Natural Gas will fill this health prescription for you most conveniently and economically.

People who have Natural Gas to heat their homes know this fact. Healthier living is certainly one of the big advantages to be gained by using Natural Gas.

Today's modern and efficient gas appliances in different types and sizes today are inexpensive to install and economical to operate.

Investigate Natural Gas seriously. Get the facts. Make a fair comparison and you will find that you can afford the comfort and convenience of gas heating.

Circulating Heater

Attractive, low in first cost and highly efficient. It heats two to four rooms. Made in many sizes and styles. Extremely economical to operate.

Floor Furnace

Solves the heating problem for homes without a basement. Highly praised by thousands. Saves floor space and is easy and most economical to install and operate.

How to make good coffee everytime

Use a **Drip Coffee Maker** in which boiling water drips through a specially prepared coffee and a filter paper. **Specially prepared Schilling Drip Coffee.** Schilling Drip Coffee is specially blended, specially roasted and specially ground for the immediate extraction of all its rich, fragrant flavor. Coffee intended for a percolator is not adapted for the drip process in which the water drips through the coffee but once. A **filter paper** rests below the coffee to let through nothing but the delicious healthful amber drops. Real Drip Coffee cannot be made otherwise. For your convenience, filter papers are packed in each Schilling tin.
